

The image shows the cover of a product catalogue for Prio Accessories. The background is a collage of various electronic accessories. In the top left, there are two white USB-C to Lightning cables with 'prio' branding. In the bottom left, a silver smartphone is shown with a circular 'prio MAG CHARGE' wireless charger on its back. In the bottom right, a laptop keyboard is visible with a white 'prio GaN POWER' USB-C charger plugged into a port. The central text features a large, stylized 'prio' logo, with 'ACCESSORIES' written in a smaller, sans-serif font below it.

Product Catalogue
February 2025

...prio combines all our know-how & experience to provide you with reliable and stable product quality, strong after-sales support and competitive prices. We are a market-leading manufacturer & wholesaler of mobile phone accessories & spare parts with over 20 years of experience. Our company provides products and services all over Europe and beyond. With a team of professionals and enthusiasts, we follow trends and listen to our customers first to create products tailored to their needs.

OUR BRAND

2000

Our Story Begins

First private repairs & sales of mobile phones.

2003

Founding Year

Official registration of mpsmobile GmbH, growing the phone repair & sales business via eBay.

2004

Going East

Establishing supplier contacts abroad & importing mobile spare parts & accessories from China.

2005

B2B Joins B2C

Shifting the business focus away from eBay to wholesale.

2007

Business Grows

Moving to a larger warehouse.

2008/2009

Branch Office Openings

New colleagues join us in Cologne & Augsburg.

2010

Expansion Abroad

Opening of our office in Hong Kong.

2012

Wholesale Only!

Shifting the business away from eBay into B2B.

2013/2014

European Expansion

New branch offices are being set up in France & Italy.

2015

Next Level Reached!

Moving again to a larger location + focusing on webshop improvements.

2016

We Sell YOUR Product

Starting our consignment goods business incl. launching a new B2B platform.

2018

Launching prio

With suppliers, products & designs in place, we are launching our own brand for high-quality mobile accessories on the European market, starting with screen protectors, cases & holders.

2019/2020

More prio Power!

We extend our product range with chargers, power banks, cables, batteries, earphones and much more.

2021

We Keep Growing

Our multi-national team is reaching 110 employees including a 20 different languages speaking sales team. The new 20.000m² warehouse provides the needed store capacity to ensure stable prices & quick delivery times.

2022-2025

Sales offensive for our accessories brand prio

Acquisition of new customers & distribution channels. Extension of the product range to approx. 1000 different items.

OVERVIEW

3 IN 1 WIRELESS CHARGER *MAG*

Stylish & Foldable Wireless Charging Station (MagSafe compatible)

15W
10W/7.5W
5W

SUITABLE FOR ALL PHONES

Works perfectly with MagSafe-compatible iPhones (12 - 16 Pro Max) and all other phones that support wireless charging including Samsung, Xiaomi, Huawei.

TRIPLE DEVICE CHARGING

Conveniently charge three devices at once - your phone, TWS headset and smartwatch. Charging starts and stops automatically, ensuring a cable-tangle-free experience.

ADAPTIVE FAST CHARGING

Optimised wireless charging speed of up to 15W ensures your phones and devices are charged at maximum speed.

ELEGANT CHARGING SOLUTION

Unique design & high-quality materials such as tempered glass & aluminium make it the perfect accessory for your office or home desk.

RECOMMENDED FOR
IPHONE 12-16 MODELS

MFI CERTIFIED CHARGE & DATA CABLE

Lightning to USB C

ADAPTIVE FAST CHARGING

Supports USB Power Delivery (PD) with a maximum charging speed of (3A). Officially certified cable, compatible with all USB C chargers (18Watt min).

HIGH-SPEED DATA TRANSFER

Super-fast data transfer of up to 480Mbps.

LONG PRODUCT LIFETIME

Durable cable design with strong bending protection (>8000 times), Aluminium housing & rugged TPE Cable coating.

DESIGNED FOR

All Apple devices with Lightning port.

Made for
iPhone | iPad | iPod

RRP: 29.90 EURO

PRODUCT SPECIFICATIONS

Max output:
3.0A
Connections:
Lightning & USB C
Cable Length:
1.2m, 2m
Cable Diameter:
4.0mm OD

PACKAGE CONTENTS

- *1x prio Charge & Data Cable USB C to Lightning, MFi certified, white
- *1x Manual (EN, DE, FR, IT, ES, PT, PL, GR)

HIGH-CAPACITY BATTERY FOR IPHONE

Premium replacement battery for iPhone with higher capacity than the original.

HIGHER CAPACITY

Our brand-new, top-grade batteries with zero charging cycles provide 10% to 30% (200–500mAh) more capacity than the original battery.

RELIABLE FOR LONG-TERM USE

Even after 500 charging cycles, our batteries maintain 100% capacity - equivalent to the original battery - and are designed to support over 800 full charges.

GUARANTEED COMPATIBILITY

Works perfectly with your phone.

100% PRODUCT SAFETY

Features a top-quality chipset with multiple protection protocols, including overheating & overcharging protection.

RRP: -

AVAILABLE MODELS

APPLE:

iPhone 13 [22465]; iPhone 12 Pro [22463]; iPhone 12 [22463]; iPhone 12 mini [22464]; iPhone SE (2020) [22462]; iPhone 11 Pro [22461]; iPhone 11 [22460]; iPhone XS [22459]; iPhone X [22458]; iPhone 8 [22457]; iPhone 7 [22456]; iPhone 6S [22455];

PACKAGE CONTENTS

- 1x Replacement battery
- 2x Battery stickers
- 1x Manual (EN, DE, FR, ES, IT, PT, PL, GR)

REPLACEMENT BATTERIES FOR IPHONE

High-Quality Replacement Battery For iPhone

HIGH-QUALITY MATERIALS

New battery cells with zero charging cycles.

GUARANTEED COMPATIBILITY

Our battery with original capacity works perfectly with your iPhone.

LONGER LIFETIME

Replacement gives you up to new 800 charging cycles.

100% PRODUCT SAFETY

Best chipset with multiple protection protocols: overheating protection, overcharging protection, over-discharging protection, short circuit protection.

(Battery and sticker design varies depending on phone model)

All you need is a full-frame phone case. Just place one durable pad between your phone & its case, and you are ready to go.

ADJUSTABLE LENGTH

Carry your phone at the preferred position around your neck or shoulder to have it always close at hand.

CHARGE FRIENDLY

The slim pad construction does not interfere with your phone's port access or the wireless charging function.
